THE HNSB. LTD. SCIENCE COLLEGE, HIMATNAGAR

CORE VALUES

Teaching-Learning:

The institute pursues academic excellence in teaching, learning and research activities to serve the best values to prime stake holders. All prime stake holder and faculty are fostered to strive for success with this value in their respective areas of work/study within college.

Research innovation and Extensions:

The institution always be ready for striving continuously for excellence in research, innovation extension activities and outreach programmes. So, students and faculties can contribute in the nation's progress.

Institutional Values:

The institutional value and promote all aspect of diversity. We always maintain a campus culture that welcome diversity of class, colour, and harmony and prepares our prime stake holders to become effective and responsible citizens of the nation. We orient the students towards the important of environment and bio-diversity through different programme. We always inspire our students the respect to women because it includes the practice of the principles of both liberty, crime free and peaceful society.

Student Support and Progression:

We are committed to fostering the profession and personal growth of our prime stake holders by promoting life long learning and leadership development with values and ethics.

Code of Conduct for Non-teaching staff :

The following traits are expected from the Non-teaching staff. He / She must

- Remain on duty during college hours.
- Adheres strictly to the laws and regulations of the college.
- Must not divulge official secrets, mutilate, expunge, conceal, alter or forge official documents/ receipts.
- Maintain honesty, integrity, fairness in all activities.
- Exercise self-discipline and restrain at all times and deal positively with staff, students and the general public.
- Must not be absent from duty without official approval or approved sick leave.
- Avoid social networking site such as Facebook, Whatsapp, etc during the working hours.
- Must not intercept or misappropriate college money.
- Respect and maintain the hierarchy in the Administration.

Code of Conduct for Students:

- Do not enter any unauthorized person in college.
- All students are compulsory required to take the i-card given by the organization.
- It is compulsory to attend the schedule of Theory & Practicles.
- Prayer at the time, students should stand discipline in the class room/ laboratories.
- Students are not allowed to take their vehicle to the campus and do not sit at the staff parking.
- Do not roam anywhere in college campuses and do not speak loud and rude.
- During the free time use the reading room and do not enter other colleges.
- There is a complete ban on the use of mobile phones by the student in the college. If a student gets a mobile phone from him, the phone seized & penalty will be taken.
- Students do not call their friends and relatives in an unnecessary college. If it is inevitable to come for the necessary work, first contact the office.
- 10 minutes before the scheduled time of college and leave the campus within 10 minutes of completion of college time.
- Pan masala, Gutkha, tobacco and toxic substances to college and use it as a felony.

- Every students has to behave politely with all staff and students.

If there is a penal action and inescapable against the breach of the above rules, the process of cancellation of admission will be conducted, each student should take serious note of it.

Best Practice

Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice 1

1. Title of the Best Practice

Student Support

2. The Context

Student support programs are designed to contribute to the quality of their learning experience and their academic success with respect to academic, cultural, sports and social environment of the institution.

3. Objectives of the Practice

To design Students council for students, support and participation

To provide support in the form of mentorship, counselling and support to slow and advance learners

To conduct industry relevant workshops and guest lectures and placement

To conduct Certificate Courses, Field projects, Internships and trainings

4. The Practice

The institution throughout the academic year conducts Students Centric Holistic Development Programmes to ensure that the students develop on a personal as well as on a professional level. This is facilitated through Mentorship Programs, Parent Teacher Association, Feedback for Faculty Report, Certificate Courses, Field projects, Internships, trainings and Remedial coaching & Placement Cell, Sexual Harassment Prevention & Redressal Cell, Gender equity cell, Grievance Cell, Scholarships as well as Bayer Scholarships support.

5. Advantages

Maintaining transparency of the teaching, learning cultural, and social environment of the institution.

Improves student feedback and performance in the college

6. Challenging issues

Students who need the most support aren't receiving it

Handling highly sensitive matters with great discretion

7. Evidence of Success

College has sexual harassment and ragging free campus

Increased level of soft skills, communication skills and confident of the students

Extremely efficient student mentoring and counselling system

8. Resources Required

Counsellors available on campus • All mentors who can guide and support the students to achieve their goals • Expert faculties for each student support to handle matters with great sensitivity and discretion

Best Practice 2

1. Title of the best practice

Capability Enhancement Activities

2. The Context

Capability enhancement activities plays a vital role in the student career. It is useful in personal and professional efficiency development

3. Objective of the Practices

The objectives of this approach is to develop new means of reaching out and supporting students community for higher level of career adaptability in students and enhancing their employability skills

4. The Practice

Capability enhancement programs of the institution include different activities organised for the overall development of the main stakeholders. Every activity has a teacher convener. The convener maintains the records of each activities. All the activities that go par with the holistic development of the student community. Various activities successfully organised throughout year like, Soft skills and Communication skills seminar, Guidance for Career counselling, Guidance for competitive exams, Remedial coaching, Finishing school, Yoga and Meditation, Physical fitness and Personal counselling etc.

5. Advantages

Students are able to identify their core strengths and communicate to employers the ways to unlock their true potential

6. Challenging issues

Inadequate professional training, Inadequate network infrastructure, limited budget and time.

7. Evidence of Success

Personality of students improved, soft skills and communication skills also improved during class seminar and presentation, meet the market needs and got more placement during the year. Two students have cleared NET and GATE examinations.

8. Resources Required

Resource persons are available on campus and off campus.

THE H.N.S.B.LTD., SCIENCE COLLEGE, HIMATNAGAR

Decentralization

The institute promotes to culture of decentralization and participative management at various levels.

1. At Principal Level: The Management of college have authorized to the Principal for all the academic and operational decisions based on policy to the academic monitoring to fulfill the vision and mission of the college.
2. At Faculty Level: Faculty of the college is the members of various committees and authority given to conduct different programs to shine out their abilities. They are encouraged to develop their leadership skills by being a convener of various academic, Co curricular and extracurricular activities. Other units of the college like sport, NSS, UDISHA etc. have operational autonomy under the guidance of Principal and HOD.
3. At Admission Level: Our admission committee counsels to prospective candidates for admission process, fee, availability of the courses and other inquiries related to college before the application form received from them. The members of admission committee cooperate and work better at different levels. They involve also in interface meeting and parents meets and students prior to admission.
4. At Financial Level: Financial Planning and Implementation: Departmental grants of the college are discussed with HODs of respective departments. The librarian prepares and plans for the budget of books after discussion with the faculties of various subjects.
5. At Infrastructure Level: Building committee of our college is assisting with the planning and execution of extension of the college and planning for infrastructure.
6. At students Level: Representatives of student's council are empowered to play an active role in co-curricular and extracurricular activities.

Participative management:

The college always follows and promotes to participative management. The important decisions and policy making decisions are important taken jointly by the principal and HODs. For the smooth conduction of any events, the representatives of student's council are informed for the good management of the events with discipline.
