2019 to 2021**

Objective of Carrier Guidance

The goal and main aim of carrier counselling is to provide you with the skills and knowledge you need to make decisions throughout your life.

Objective of Competitive examination activities

- The goal and main aim of competitive examination activities is to create awareness among student community respect to various kind of competitive examinations and civil service exams conducted by state and national government.
- Various types of carrier guidance related workshops, training, seminars and guidance of competitive exam sessions are arranged to motivate our graduate and post graduate students under the banner of youth development programs organized by UGC sponsored carrier and counselling cell and KCG supported UDISHA cell at our college.
- Due to these types of training our students are able to faced different competitive exams and also succeed in various exams.
