Placement Report

## UDISHA

### **Background & Summary**

UDISHA is a placement initiative introduced by the Office of Commissioner, Higher Education, Gujarat and is now implemented by Knowledge Consortium Gujarat. Its aim is to bridge the gap between the employers and employees.

UDISHA is the effort of the State Government to provide a platform where students gather under the umbrella of UDISHA, create an identity and interface with industries to ensure that job seekers and job providers meet at no extra cost.

It also works towards creating greater employability and acceptance of students through regular training at no additional cost to the Institution. The Government supports UDISHA through funding to Colleges.

### **Name of Partnering Agencies**

Knowledge Consortium of Gujarat (KCG) Gujarat Technological University

### **Period of Implementation**

Since 2011

### **Area of Operation**

Gujarat

### Objective(s)

The main objectives of UDISHA are :

1. Develop students' profile for the placement
2. Identify their interest and capabilities through Aptitude Tests.
3. Train them in Soft Skill, Functional English and ICT in accordance with the demands of the market.
4. Develop linkages with Job providers.
5. Make necessary arrangements for placement by organizing job fairs at State, District and College level
6. Bring uniformity in job placement efforts and procedures in all colleges across the state.
7. Take feedback from employers and Students who get employed
