Activity Report of Seminar on Communication Skills organized by Placement Cell, The HNSB. Ltd. Science College:

The seminar on Communication Skills was organized by the Placement Cell of The HNSB. Ltd. Science College on 2nd January 2023 from 11.15 to 12.15 PM. For B.Sc and M.Sc students by Placement Cell. The objective of the seminar was to enhance the communication skills of the students, which is an essential requirement for the corporate world.

The seminar was conducted in the seminar hall of the college, and it was attended by around **73 students** from B.Sc & M.Sc Classes.

Dr Gadhwala started the session by giving a brief introduction to communication and its importance in the professional world. He emphasized the need for effective communication to succeed in any field. He also highlighted the various types of communication, such as verbal, non-verbal, written, and visual, and how they are essential in different situations.

Dr Gadhwala then explained the importance of body language and how it can be used to convey the right message. He demonstrated different body postures and gestures that could be used to convey confidence, sincerity, and authority.

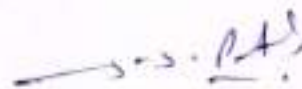

The next part of the seminar focused on verbal communication. Gadhwala emphasized the importance of choosing the right words, tone, and pitch while communicating with others. He gave examples of how incorrect use of words and tone could lead to misunderstandings and conflicts.

He also talked about the art of listening and how it can improve communication skills. He explained the difference between hearing and listening and gave tips on how to become an active listener.

Hc. Principal
The H.S.N.B. Ltd. Science College
Himatnagar-383001, S.K.

The seminar concluded with a question-and-answer session, where students asked various queries related to communication skills. Dr Gadhwala answered their questions and provided valuable insights on how to improve communication skills.

In conclusion, the seminar on Communication Skills organized by the Placement Cell of The HNSB. Ltd. Science College was a success. The students gained valuable knowledge about the importance of effective communication and learned tips and techniques to enhance their communication skills. The seminar ended with a vote of thanks from student representative Subham, who thanked Dr Gadhwala for his valuable time and effort in making the seminar a success.

Summary Report of Seminar on ICT & Computing Skills

Event details: The program was organized by the Placement Cell of The HNSB Ltd. Science College. It was held on the college campus on 30/1/2023 from 11.15 to 12.15 PM in the B.Sc. Sem-6 hall.

Objectives: The main objective of the program was to enhance the ICT and computing skills of B.Sc students and to prepare them for future career opportunities.

Program highlights: The program included the following activities and presentations:

Keynote speech: Our faculty Dr N.I. Patel delivered a keynote speech on the latest trends and technologies in the field of ICT and computing. The speech covered topics such as artificial intelligence, machine learning, and blockchain technology.

Technical workshops: The program included technical workshops on various topics related to ICT and computing. The workshops covered topics such as programming languages, web development, mobile app development, and data analytics.

Interactive session: The program included an interactive session where the students were encouraged to ask questions and share their experiences. The session helped to clarify any doubts the students had and provided them with practical tips for enhancing their ICT and computing skills.

Outcomes: The program helped to enhance the ICT and computing skills of B.Sc students and prepared them for future career opportunities in the field of IT. It provided the students with practical knowledge and skills that they can apply in their academic and professional pursuits.

Conclusion: The program was successful in achieving its objectives of enhancing the ICT and computing skills of B.Sc students. It was an effective platform for educating the students about the latest trends and technologies in the field of IT and providing them with practical knowledge and skills that are in high demand in the industry. Totally 73 students got knowledge of ICT and Computing Skills.

Workshop on "Uses of Microsoft Excel Spreadsheet Program in Physics Practical for SEM-4 Students"

Organized by ICT committee

Date: 20-January-2023

Time: 12.15 AM to 2.15 PM

Venue: PHYSICS LAB, THE HNSB. LTD. SCIENCE COLLEGE, HIMATNAGAR.

Resource person: Mr. A.R. Saradva

It is informed to SEM-4(cp-group) students of this college, that workshop on "Uses of Microsoft Excel Spreadsheet Program in Physics Practical for SEM-4 Students" Organized by ICT committee. Interested students are requested to present on time in PHYSICS LAB, THE HNSB. LTD. SCIENCE COLLEGE,

Report of Event

Workshop on "Uses of Microsoft Excel Spreadsheet Program in Physics Practical for SEM-4 Students"

Organized by ICT committee

Date: 20-January-2023

Time: 12.15 AM to 2.15

PM

Venue: PHYSICS LAB, THE HNSB. LTD. SCIENCE COLLEGE, HIMATNAGAR.

Resource person: Mr. A. R. Saradva

Number of present male students: 34

Number of Female students: 05

Total number of Participants: 39

The purpose of this workshop in Physics lab is to become familiar with the Microsoft Excel spread sheet program. Many of the experiments performed in Physics lab require the use of Excel tools in order to analyse the collected data, prepare observation table with necessary formula, plot the graph etc. For that reason, this workshop is organized for students. In this workshop following topic are discussing by resource person.

1. In order to demonstrate many of the tools in Excel spread sheets
2. How to perform several calculations, graph, several groups of data, and perform types of analysis.
3. The tutorial will start slow, assuming very little knowledge of Excel, but will progress quickly.

Notice

All B.Sc Sem-6 Chemistry students of The HNSB. Ltd. Science College are hereby informed that a Health Awareness Program on "Chemicals, Health and Hygiene" is scheduled to be held on 10th February 2023, from 2:30 pm to 4:30 pm.

The program will be conducted by the PG Department of Chemistry and will cover various topics related to the impact of chemicals on health and the importance of maintaining good hygiene practices. The aim of the program is to create awareness among students about the harmful effects of chemicals and the importance of adopting healthy hygiene practices.

The program will be conducted by experienced faculty members who have extensive knowledge and experience in the field of chemistry and public health.

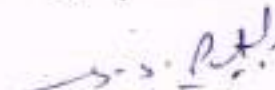

All B.Sc Sem-6 Chemistry students are requested to attend the program and benefit from the valuable insights and information shared by the speakers. The program will be held in the college auditorium, and attendance is mandatory for all B.Sc Sem-6 Chemistry students.

We look forward to your active participation in the program and wish you all the best in your future endeavours.

Activity report for a health awareness program on "Chemicals, Health & Hygiene"

Here is an activity report for a health awareness program on "Chemicals, Health & Hygiene" for undergraduate B.Sc students:

Event details: The health awareness program was organized by the PG Department of Chemistry of a college for undergraduate B.Sc students. It was held in the B.Sc Lab of the college campus on 10/2/2023 from 2.30 to 4.30 PM.

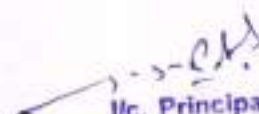

Objectives: The main objective of the program was to raise awareness among the students about the health hazards associated with chemicals and the importance of maintaining hygiene for a healthy lifestyle.

Program highlights: The program included the following activities and presentations:

Talk on chemicals and their impact on health: Dr Z.M. Gadhawala gave a presentation on the harmful effects of chemicals on human health. The presentation covered topics such as chemical exposure through food, water, and air, and its impact on various organs and systems in the body. They also aware the students about harmful effect of H₂S gas, Br₂, Na metal and many othr solvents used in the lab during practicals.

Importance of hygiene for good health: They also gave a presentation on the importance of maintaining personal hygiene for good health. The presentation covered topics such as hand hygiene, oral hygiene, and the importance of clean surroundings.

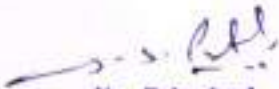

Interactive session: The program included an interactive session where the students were encouraged to ask questions and share their experiences. The session helped to clarify any doubts the students had and provided them with practical tips for maintaining good health and hygiene.

The H.S.N.B. Ltd. Science College
Himatnagar-383001, S.K.

Feedback: The program was well received by the students, who found it informative and engaging. Many students appreciated the practical tips given during the interactive session and expressed interest in attending similar programs in the future.

Outcomes: The health awareness program helped to raise awareness among the students about the health hazards associated with chemicals and the importance of maintaining hygiene for good health. It provided the students with practical tips for maintaining good hygiene practices, which they can incorporate into their daily routines.

Conclusion: The health awareness program was successful in achieving its objectives of raising awareness about chemicals and hygiene among undergraduate B.Sc students. It was an effective platform for educating the students about the importance of maintaining good health and hygiene practices for a healthy lifestyle

Report of seminar on

Soft Skills: Essential interview skills

The Seminar was organized by placement cell dated on 27/02/2023 from 01:00 to 02:00 PM in the M.Sc. hall for B.Sc. final year students. Dr Z M Gadhawala has delivered guidance regarding different essential interview skills. The seminar on "Soft Skills: Essential Interview Skills" emphasized the importance of developing key interpersonal skills to succeed in job interviews. The speaker highlighted the significance of effective communication, active listening, and the ability to present oneself professionally. The seminar provided practical tips and strategies for developing these skills, such as researching the company before the interview, preparing concise and impactful responses to common interview questions, and utilizing body language to convey confidence and engagement. Attendees were also encouraged to practice these skills in mock interviews to build confidence and refine their techniques. Overall, the seminar underscored the critical role of soft skills in the interview process and their impact on securing employment opportunities.

Report on the workshop on Develop Your Communication Skills (Resume Writing, Interview, & Personality Development)

The workshop on Develop Your Communication Skills (Resume writing, Interview, & Personality Development) was organized by the Placement Cell for B.Sc & M.Sc Chemistry Students on 29/3/2023 from 11.15 to 12.30 PM. The workshop was conducted by Dr. Z.M.Gadhawala, who is an experienced professional in the field of communication skills development and personality development.

The workshop aimed to equip the students with the necessary skills and knowledge required to excel in their professional careers. The session started with a brief introduction to the importance of effective communication skills and how it can help in achieving success in their professional lives.

The first topic covered in the workshop was resume writing. Dr Gadhawala explained the importance of a well-structured resume and the key elements that need to be included in it. He also discussed the common mistakes that students make while writing their resumes and provided useful tips and tricks to avoid those mistakes.

The next topic covered was interview skills. Dr. Gadhawala provided insights on how to prepare for an interview, including researching the company and the job position and preparing answers for common interview questions. He also emphasized the importance of body language and how it can impact the outcome of an interview.

The final topic covered in the workshop was personality development. Dr Gadhawala discussed the importance of developing a positive and professional image and provided tips on how to improve one's personality traits such as confidence, communication, and interpersonal skills.

The workshop was highly informative and interactive, with students actively participating and asking questions throughout the session. The students found the session to be highly useful and relevant to their career development goals. They appreciated the efforts of the Placement Cell in organizing such a valuable workshop and expressed their gratitude to Dr. Gadhawala for sharing his knowledge and expertise with them.

In conclusion, the Workshop on Develop Your Communication Skills (Resume Writing, Interview, & Personality Development) conducted by the Placement Cell for B.Sc & M.Sc Chemistry Students on 29/3/2023 was a great success. The workshop provided students with valuable insights and practical tips on how to develop effective communication skills, prepare for interviews, and improve their personality traits. It was an excellent initiative by the Placement Cell to help students in achieving their career goals
