

## THE HNSB.LTD. SCIENCE COLLEGE, HIMTNAGAR

### Strategic Plans: (2022-23)

1. Internal academic audit of the department

./ Effectively apply:

Internal academic audit of the chemistry, physics, botany & Microbiology department are completed dated on 26 to 29 June 2022 by the IQAC.

2. To start procedure for green audit & energy audit

./ Effective apply:

The IQAC has given guidelines to botany department for green audit and physics department for energy audit. Both audits are completed and submitted to the IQAC.

3. To develop self-appraisal for teaching & non-teaching staff

./ Effective apply:

The IQAC has designed self-appraisal Performa for teaching & non-teaching staff. Self-appraisal forms of teaching & non-teaching staff are received and analysed by the IQAC.

4. FOP for teaching staff

./ Effective apply:

For faculty development, various kinds of seminars and workshops are designed by the IQAC during the year. Also, faculty are inspired for one week FOP and short-term training courses.

5. Streaming of data management according to NAAC

./ Effective apply

IQAC has informed to ICT cell of the college for designing of data collection of departments, committees & personal. So, ICT has prepared google form for collection of the departments, committees and personal data are collected at the end of the academic year for the preparation of AQAR: 2022-23.

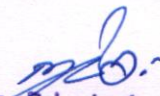

6. To improve student's centric methods in teaching learning  
./ Effective apply:

In the IQAC meeting with faculty the IQAC Co-ordinator informed to the HOD's of various department to start project work, internship, certificate courses, value added courses, field projects and class seminar in the UG & PG program. So to keep in mind all students centric activities are successfully completed by the departments during the year.

7. Submitting AQAR for the year 2022-23  
./ Effective apply:

The IQAC of the college has started collection of the data of department, committees, and personal and student preparation of the AQAR 2022-23
