Action Taken Report: (SSS): 2022-2023

Following a comprehensive Student Satisfaction Survey conducted across various aspects of our college's facilities and services, we are pleased to report an overall satisfaction rate of 86%. This signifies a positive acknowledgment from the student body, reflecting their contentment with the college environment.

Key Findings:

College Toilets, Sports Facilities, and Drinking Water: An impressive 86% satisfaction rate was recorded, indicating a general satisfaction with these amenities. However, there may still be areas for improvement to ensure sustained satisfaction.

College Library Facility: A substantial 89.6% of students expressed satisfaction with the library services, indicating the effectiveness and accessibility of this vital resource.

Support of Facility to Students: 85% of students reported satisfaction with the support provided by the college facility, indicating a positive impact on student experience.

Support of Administrative Staff: Despite a slightly lower satisfaction rate of 83%, efforts will be made to address any concerns and enhance support systems.

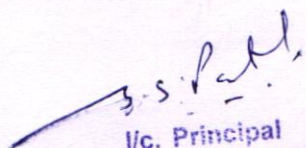

Information Dissemination: An encouraging 88% satisfaction rate was recorded regarding the dissemination of information about various notices and programs, reflecting effective communication channels.

Syllabus Coverage by Faculty: With 85% satisfaction, there is recognition of the efforts of faculty members in delivering the curriculum effectively.

Use of LCD, Multimedia: A commendable 86% satisfaction rate indicates the successful integration of technology in educational practices.

Facilities like Laboratories, NSS: While still satisfactory at 82%, efforts will be made to ensure optimal utilization and enhancement of these facilities.

Opinion on Co-curricular Activities: With 82% satisfaction, there is a positive reception of co-curricular activities, highlighting their significance in holistic student development.

Action Plan:

Based on the survey results, the following actions will be taken to further enhance student satisfaction:

Continuous maintenance and improvement of college toilets, sports facilities, and drinking water provisions.

Further investment in the college library to ensure it remains a hub of academic resources and support.

Ongoing training and support for administrative staff to address any areas for improvement.

Streamlining communication channels to ensure timely and effective dissemination of information.

Faculty development initiatives to ensure comprehensive syllabus coverage and innovative teaching methods.

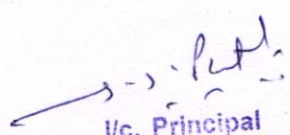

Regular maintenance and upgrades to technology-infused learning resources.

Strategic enhancement of facilities such as laboratories and NSS initiatives to meet evolving student needs.

Expansion and diversification of co-curricular activities to cater to varied student interests and preferences.

Conclusion:

Overall, the satisfaction expressed by students in the survey is encouraging. By implementing the outlined action plan, we aim to further elevate the student experience and ensure our college remains a nurturing environment conducive to learning and personal growth. We express our gratitude to all students who participated in the survey and assure them of our commitment to continuous improvement.
