Report of seminar on How to focus the mind for success for administrative staff

One day Seminar on How to focus the mind for success for administrative staff was organized by IQAC on 07/09/2022, 03:00 to 04:00 PM in the seminar hall. The resource person was Dr Pravinbhai Chaudhari. He has discussed College administrative staff play a vital role in ensuring the smooth functioning of a college or university. To be effective in their roles, they need to be able to focus their minds and stay productive. Strategies for focusing the mind and achieving success include prioritizing tasks, creating a distraction-free environment, taking breaks, using a task management system, using the Pomodoro Technique, and avoiding multitasking. By implementing these strategies, college administrative staff can improve their focus and productivity, ensuring that they are able to efficiently carry out their responsibilities and contribute to the success of the institution.

Report of Seminar on ICT & Innovative Practices in HIEs

The Seminar on ICT & Innovative practices in HIEs was organized by the IQAC for teaching staff dated on 26/02/2022, 04:00 to 05:00 PM in the seminar hall. In this seminar Dr Rajesh Chaudhari was a resource person. The seminar focused on the use of Information and Communication Technology (ICT) in colleges and showcased innovative practices that are transforming the education industry. The speakers highlighted the importance of incorporating ICT into college curricula to enhance student learning and engagement. They also discussed various tools and platforms that can be used to support remote learning, including virtual classrooms, video conferencing, and learning management systems. The seminar emphasized the need for colleges to adapt to the changing needs of students and embrace innovative practices that leverage technology to enhance the educational experience.
