Among them, two students presented their innovative ideas through oral and PowerPoint presentations, while two students showcased their creativity through a working model:

- **Oral Presentation (Innovative Idea with PPT):** Panchal Khushi and Prajapati Devanshi
- **Working Model Presentation:** Panchal Foram and Prajapati Manya

Panchal Khushi and Prajapati Devanshi achieved remarkable success by securing **1st Rank in Innovative Idea** for their presentation on **“Corrosion Inhibitors.”**

The students were honored with certificates and a trophy by Prof. (Dr.) Niranjan P. Patel, Vice-Chancellor of Sardar Patel University, in recognition of their outstanding achievement and innovative thinking.

Objectives of the Event

- To promote innovation, creativity, and scientific thinking among students.
- To provide a platform for young innovators to present their ideas and working models.
- To encourage research-oriented learning and entrepreneurial mindset.
- To enhance presentation skills and technical knowledge through academic competition.

Outcome of the Event

- Students gained valuable exposure to innovation-based competitive platforms.
- The college received recognition at the state level through the students’ achievement.
- Participants enhanced their confidence, presentation skills, and problem-solving ability.
- The event motivated students to pursue research, innovation, and entrepreneurship in science.
- The 1st rank achievement brought pride and academic distinction to the institution.

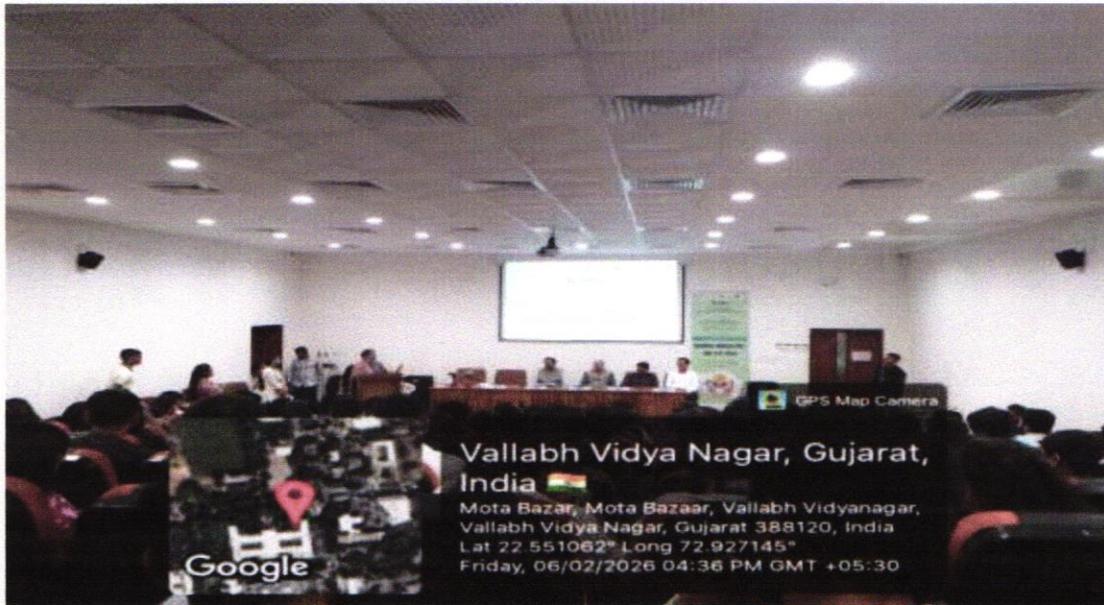

Overall, the participation and success of the students reflected the institution’s commitment to nurturing innovation and excellence in scientific education.
