FINISHING SCHOOL

Finishing school aims at empowering students with various skill sets in addition to Knowledge that makes them Industry ready.

Finishing school Trainers enable students to hone their Life skills. Employability Skills. Functional and Spoken English Skills so as to carve a niche in the competitive and dynamic world.

Finishing school is an Employability enhancement initiative taken by the education Department. Government of Gujarat for imparting strategic training and development on student's skill to make them Industry-ready. It is an excellent move to enhance the employability of students within the global industries in developing countries. Finishing school programs are logical response to that necessity of industries that reduce the skills gap in its current and future employees (specifically focused on fresh graduates) between what was taught by academia and the capabilities and skills demanded by the private sector. By definition, finishing schools are non-formal implemented by institutions designed for short-term training and implemented by institutional academia. Their main objective is to train the fresh under graduates according to specialized industries in order to improve its employability.

Purpose of Initiative:

Finishing school aims at empowering students with various Skills sets in addition to Knowledge that makes them industry ready. Finishing school Trainers enable students to hone their Life Skills, Employability Skills, Functional and Spoken English Skills so as to carve a niche in the competitive and dynamic world.
