PERSON

Dr. N.I.Patel

VENUE

Class Room 2
HNSB. Science College,
Himatnagar

ABOUT THE SEMINAR

This seminar aims to create awareness among B.Sc. students about the importance of digital literacy and the transformative role of Artificial Intelligence in education, research, and daily life. The session will introduce essential digital tools, AI concepts, and their real-world applications, helping students prepare for a technology-driven future.

WHO CAN ATTEND?

All B.Sc. students
are cordially invited.

HIGHLIGHTS

- ✓ Understanding Digital Literacy
- ✓ Introduction to Artificial Intelligence
- ✓ Applications of AI in Science & Everyday Life
- ✓ Emerging Career Opportunities
- ✓ Interactive Session

All are cordially invited!

Event report (2026-27)

Report on Seminar on Digital Literacy and Artificial Intelligence Awareness Programme

The **Digital Infrastructure & Support Club (DISC)** of The HNSB. Ltd. Science College, Himatnagar successfully organized a **Seminar on Digital Literacy and Artificial Intelligence Awareness Programme** for B.Sc. students on **06 August 2026** from **11:00 AM to 12:00 PM** at **Class Room 2**.

The programme commenced with a warm welcome to the resource person, **Dr. N. I. Patel**, who delivered an insightful lecture on the significance of digital literacy in today's technology-driven world. He explained the fundamental concepts of Artificial Intelligence (AI), its applications in education, scientific research, healthcare, agriculture, business, and everyday life. He also highlighted the importance of ethical and responsible use of AI, digital safety, cybersecurity, and the opportunities available for students in AI-related careers.

The seminar was highly interactive, allowing students to ask questions and discuss emerging technologies. The participants gained valuable knowledge about digital tools, AI-powered applications, and the role of technology in enhancing learning and innovation. The session motivated students to develop digital competencies essential for higher education and future employment.

The programme witnessed enthusiastic participation from B.Sc. students. A total of **69 students** attended the seminar, comprising **36 female students** and **33 male students**. Their active involvement and keen interest contributed to the success of the awareness programme.

The event concluded with a vote of thanks, expressing gratitude to **Dr. N. I. Patel**, the Principal, faculty members, the **Digital Infrastructure & Support Club (DISC)**, and all the participants for their wholehearted support in making the programme informative and successful.

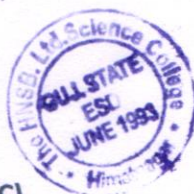

Participation Summary

Category	Number
Female Participants	36
Male Participants	33
Total Participants	69

The seminar successfully achieved its objective of creating awareness about **Digital Literacy** and **Artificial Intelligence**, encouraging students to embrace modern digital technologies for academic excellence and future career development.
