Report of the Event

Title of the Event

Pre-Conference Orientation, Skill Development & Mentoring Programme for HIKSGF-2026 (Soft & Communication Skills Development)

Introduction

The **Department of Chemistry** and **Internal Quality Assurance Cell (IQAC)** of **The HNSB. Ltd. Science College, Himatnagar** jointly organized a **Pre-Conference Orientation, Skill Development & Mentoring Programme** for **B.Sc. Semester–VI Advanced Learner** students. The programme was conducted to prepare students for their participation in the **State Level Botany Conference** titled **“Harnessing Indian Knowledge System for a Green Future (HIKSGF-2026)”**.

This initiative was specially designed for students participating in a state-level academic conference for the **first time**, with a focus on developing research presentation skills and confidence.

Objectives of the Programme

- To train students in **scientific abstract explanation**
- To guide students on **effective poster design and presentation**
- To develop **confidence and communication skills**
- To prepare students for **question–answer sessions** with judges and audiences

Principal

The HNSB. Ltd. Science College
Himmatnagar-383 004

- To reduce stage fear and encourage **active participation in academic conferences**

Details of the Programme

- **Date:** 11 February 2026
- **Time:** 9:00 AM to 9:30 AM
- **Venue:** M.Sc. Seminar Room
- **Participants:** 13 students
- **Programme:** B.Sc. Semester–VI (Advanced Learners – Chemistry)

Resource Person

The programme was conducted by **Dr. Z. M. Gadhawala,**
PG In-charge & IQAC Coordinator,
 The HNSB. Ltd. Science College, Himatnagar.

Dr. Gadhawala provided **step-by-step guidance** on abstract presenting, poster content structuring, visual design principles, and professional presentation techniques. Practical tips were shared on how to confidently explain posters, maintain body language, and respond logically to questions asked by judges or participants.

Programme Highlights

- Explanation of **standard abstract format** for state-level conferences
- Guidance on **poster layout, visuals, and scientific clarity**
- Demonstration of **effective poster presentation techniques**
- Tips to handle **academic questions confidently and calmly**

 Principal

- Motivation and mentoring for first-time conference participants

The interactive nature of the session helped students clear their doubts and build confidence.

Outcome and Achievement

The training programme proved highly effective, as students demonstrated improved confidence and presentation skills during the conference.

□ Notable Achievement:

Mr. Vyom Chaudhary B, Parajapati Kax D & Parmar Jiya A , a participants of the programme, **won the 2nd Prize** at the State Level Conference **HIKSGF-2026**, reflecting the success of the mentoring and training provided.

This achievement brought pride to the institution and highlighted the importance of structured pre-conference orientation programmes.

Conclusion

The **Pre-Conference Orientation, Skill Development & Mentoring Programme** successfully achieved its objectives by preparing students academically and psychologically for participation in a state-level conference. The event strengthened students' research communication skills and encouraged them to actively engage in higher academic and research platforms.
