Objectives and Initiatives

Designed by IQAC

✓ Objectives

1. To provide quality science education and develop a strong academic foundation for students.
2. To promote research culture, innovation, and scientific temperament among faculty members and students.
3. To encourage incubation, innovation, and start-up activities for developing entrepreneurial skills among students.
4. To ensure holistic development of students through academic, co-curricular, and extension activities.
5. To support diverse learners through mentoring, academic guidance, and special programmes for slow and advanced learners.
6. To strengthen academic excellence by organizing International, National, and State level conferences, seminars, and workshops.
7. To enhance institutional collaboration and academic networking through MOUs and partnerships with academic institutions, industries, and organizations.
8. To inculcate social responsibility and community engagement among students through NSS activities and outreach programmes.
9. To provide financial support and assistance to economically weaker and deserving students.
10. To strengthen alumni engagement for institutional development and student mentorship.
11. To ensure continuous quality improvement in teaching, research, and institutional development in accordance with the guidelines of National Assessment and Accreditation Council.

✓ Key Initiatives

To achieve the above objectives, the institution has undertaken the following initiatives:

1. Student Induction and Mentoring

- Organization of Student Induction Programme for newly admitted students.
- Implementation of Mentoring System for academic and personal guidance.

2. Academic Enrichment

- Special activities for slow learners and advanced learners.

Group discussions, assignments, seminars, and interactive learning practices.

3. Research and Publication

Encouragement of research publications by faculty members and students.

Publication of ISBN books, research papers, and conference proceedings.

4. Conferences and Academic Events

Organization of International, National, and State level conferences, seminars, Webinar and workshops to strengthen research and academic interaction.

5. Innovation, Incubation and Start-up Promotion

Promotion of Innovation, Incubation, and Start-up culture among students.

Organization of Science Expo and student innovation exhibitions.

6. Institutional Collaborations

Establishment of MOUs and collaborations with academic institutions, industries, and research organizations.

Joint activities such as workshops, internships, training programmes, and knowledge exchange.

7. Community and Social Outreach

Hari Setu Programme for village development and awareness.

Swachh Suraksha Initiative to recognize and support sanitation workers.

NSS camps and extension activities to promote social responsibility.

8. Student Support and Welfare

Financial assistance for needy students.

Academic guidance and career counselling.

9. Alumni Engagement

Active participation of alumni in mentoring, career guidance, and institutional development initiatives.

✓ Conclusion

Through these objectives and initiatives, the institution strives to create a dynamic ecosystem of academic excellence, research innovation, social commitment, and collaborative growth.
